Members Present.....Commissioner Betty Lund

Minutes: Glenda Wiles

Commissioner Greg Chilcott was in Helena this date for the statewide award and ceremony for the educational Meth art project.

The Board held a public hearing by conference call. This was a continuation of a February 9, 2006, public hearing on the Kevin and Susan Hatch petition for road abandonment on Old Darby and Overturf Roads. Because the survey was not completed, Commissioner Lund made a motion to continue this meeting until September 20, 2006 at 9:00 a.m. Commissioner Chilcott seconded the motion and all voted "aye".

Commissioner Lund attended a RCEDA meeting during the afternoon hours.

Commissioner Lund attended a City of Hamilton Planning Board during the early evening hours.
